What is GPS?

- It is an hourly pay structure designed to award team members for ongoing growth within the company. When a team member is trained in a specific area and maintains certification in that area based on predetermined criteria, they will be compensated with an hourly pay increase.

Gatlin's Fun Center 716 Parkway Gatlinburg, TN 37738 (865) 277-7432

On top of training, team members who dedicate themselves to the organization will receive longevity benefits and pay increases outlined below. Finally, team members in continued good standing with performance and punctuality will be enrolled in the incentives program, also outlined below. Essentially, the more a team member learns, shows initiative, and dedicates themselves to their work, the more they will be paid hourly. Because market conditions and situations make change, it must be stated that this system may be altered from time to time or discontinued at the company's sole discretion.

TRAINING/CERTIFICATION PROGRAM

- From the base pay rate, a team member's hourly pay increases with certification in the following areas:
 1. General Team Member Duties -- \$0.50 per hour
 2. Ropes Course and/or VR Game Master -- \$0.25 per hour
 3. Escape Room Artists -- \$0.25 per hour per game certified
 4. Village Shop Associate - Opener & Closer -- \$0.25 per hour
 5. Crossed trained to work at both company main locations (Gatlinburg & Island) -- \$0.25 per hour

UPSELLING INCENTIVE PROGRAMS

- Once a team member has completed training, they are eligible for the Store Incentive Pool Program and the Individual Commission Program.

Store Incentive Pool

- The Store Incentive Pool Program is split among the operating staff at a particular store every pay period. All hours worked over a particular pay period in an Operational area (excludes Project and Vacation hours, among others) are divided into the total team Store Incentive Pool for the store, giving each team member their share of the pool regardless of who actually made the sale. The Store Incentive Pool increases with each upsell, as outlined below:

1. For the Gatlinburg store, every Passport, Ropes Course + Passport, and Unlimited Golf passes sold adds \$0.40 to the team Store Incentive Pool.
2. For the Island store, every Plus 2 pass sold adds \$0.40 to the pool, and every DIA pass adds \$0.50 to the Store Incentive Pool.

Individual Commission Program

In addition to the Store Incentive Pool Program team members are rewarded for Escape Game upsells in the form of an individual commission per sale:

1. Team members individually receive \$1.00 for every Escape Game + Passport sold and \$2.00 for every DIA pass sold by them individually. This incentive is not shared with other team members, instead awards you individually.
